~ TRASH CANS AND PICK UP ~

Trash bins are provided by Cal Met and trash is picked up every Monday except some holidays. (www.calmetservices.com) Trash cans should be set out after 6 p.m. Sunday night and brought in by end of day.

** PARKING IN SUNDANCE **

Visitor parking spaces are limited and all streets are designated as 'fire lanes' by the City. Parking on our streets is only allowed to quickly load or unload a vehicle. Our patrol service is Patrol One at 714-541-0999 or www.patrol-one.com. If you need a Permanent Parking Permit for additional vehicles registered to your unit, you may apply for a permit by completing a parking application and submitting it to The Management Trust. All requests must be approved by the Board of Directors. There is a monthly fee and permits must be renewed annually. Should you need to park a vehicle overnight in guest parking that is not assigned a permanent parking permit, you must Safe-list the vehicle. This can be done by either calling Patrol One or going to their website www.patrol-one.com. Put the confirmation number given on the dashboard of the car. See a complete list of all parking rules on our website.
